FOR IMMEDIATE RELEASE

Announcing the Release of the 2018 Newforma World User Conference Course Topics

May 29, 2018, Manchester, NH - [Newforma](#), a leader in Project Information Management (PIM) software for architects, engineers, contractors and owners (AECO) worldwide, is proud to announce this year's Newforma World session line-up.

The 2018 Newforma World conference is built for and designed by customers. Newforma collected feedback from the 2017 conference attendees and recently conducted a customer survey to further solidify the session line-up. Newforma customers will enjoy a week of learning, networking, idea-sharing, socializing and problem-solving with the Newforma team and a global network of their peers.

"Our event sessions will include something for everyone", stated Brock Philp, Newforma CEO. "Our focus is on helping customers glean the greatest value from the software; ultimately they broaden and deepen their knowledge of our software solution while also enjoying a beautiful resort."

General and customer-led sessions will include, Project Center V12, Get more out of Project Center, Bending Project Center across project phases, Alternative ways to use workflow, Document control vs. document sets, Techniques to drive user adoption, Mobile apps, and more. Additionally, there will be sessions for Contract Administrators, Project Managers and IT Administrators, including:

-) Submittals Workflow – Bluebeam & Procore, RFI & Submittals for Contract Management, Dashboards – Project Tracker Dashboard.
-) NBIM Module integration with Navisworks, Revit Reviewer & enhancements, Extending the use of Power BI within your business, A low-to no-cost EDMS alternative for Check-In Check-Out
-) Dashboards – Health Tracker Dashboard 2.0, Global Administration functions and PM control for Contract Management, Indexing, V12 migration, Security & Data Privacy, APIs and more.

The Conference starts Tuesday, October 2nd, 7:00 PM and will conclude Thursday, October 4th, 12:30 PM with a closing ceremony. Early bird pre-registration pricing is being offered at \$695 and ends June 30, 2018. Discounted pricing at \$795 will be available until July 31st. Registration closes September 10, 2018. Following the conference and for an additional fee, customers can sign-up for the Newforma Workshop. Seating is limited and sold out last year. To learn more about 2018 Newforma World and the Newforma Workshop visit www.NewformaWorld.com.

About Newforma
